PRIVACY NOTICE

WHY WE COLLECT YOUR PERSONAL INFORMATION

As a registered training organisation (RTO), we collect your personal information so we can process and manage your enrolment in a vocational education and training (VET) course with us.

HOW WE USE YOUR PERSONAL INFORMATION

We use your personal information to enable us to deliver VET courses to you, and otherwise, as needed, to comply with our obligations as an RTO.

HOW WE DISCLOSE YOUR PERSONAL INFORMATION

We are required by law (under the National Vocational Education and Training Regulator Act 2011 (Cth) (NVETR Act)) to disclose the personal information we collect about you to the National Centre for Vocational Education Research Ltd (NCVER). NCVER is the National VET Data Custodian responsible for collecting, managing, analysing and communicating research and statistics about the Australian VET sector.

HOW THE NCVER AND OTHER BODIES HANDLE YOUR PERSONAL INFORMATION

including the Privacy Act 1988 (Cth) (Privacy Act) and the NVETR Act. NCVER may use and disclose your personal information for purposes that include populating authenticated VET transcripts; administration of VET; facilitation of statistics and research relating to education, including surveys and data linkage; and understanding the VET market.

NCVER may disclose information to the Australian Government Department of Employment and Workplace Relations (DEWR), Commonwealth authorities, State and Territory authorities (other than registered training organisations) that deal with matters relating to VET and VET regulators for the purposes for which the legislation above permits.

NCVER may also disclose personal information to persons engaged by NCVER to conduct research on NCVER's behalf. NCVER does not intend to disclose your personal information to any overseas recipients.

Data submitted through a VET data system may undergo validation and quality assurance checks, which involve checking the submitted data against data held in other information systems, for example, the Unique Student Identifier Registry or the Australian Business Register.

For more information about how the NCVER will handle your personal information please refer to the NCVER's Privacy Policy at www.ncver.edu.au/privacy.

- administration of VET, such as program administration, regulation, monitoring and evaluation
- facilitation of statistics and research relating to education, including surveys and data linkage
- understanding how the VET market operates for policy, workforce planning and consumer information.

DEWR may be authorised by law to share 'public sector data' with third parties, including under the Data Availability and Transparency Act 2022 (Cth) (DAT Act). 'Public sector data' is defined in the DAT Act to mean "data lawfully collected, created or held by or on behalf of a Commonwealth body…" and therefore includes any data collected by the department as part of performing VET related functions.
